YES  NO Please Tick

How did you find out about Trim Men's Shed?

I wish to apply to join Trim Men's Shed and will attend and participate at the club as much as I possibly can. I will read any additional information required about safety and will abide by the club's rules at all times, including GDPR. I am aware there is an annual subscription that must be paid in order to remain a member and participate in any activities.

Trim Men's Shed regularly publicise their activities on social media, their own website and in other formats, which often includes photographs. As a member, your photograph might be taken during club activities and used for these purposes, unless you specifically request, in writing to the club Secretary that we do not include your image. If you do choose to exclude your image from being used, it could affect your inclusion in social activities and you must make every effort to exclude yourself from situations where photographs are being taken, otherwise the club will consider you have given an implied consent. The Club conform to all GDPR and will keep your personal data accordingly.

**NOTE:** Associate members must also read and sign the next page.

Applicant's Signature: ..... Dated: ..... / ..... / .....

This application must be approved by both the club chairman and club secretary.

Chairman's Approval: ..... Date: ..... / ..... / .....

Secretary's Approval: ..... Date: ..... / ..... / .....

Please return this form to the club secretary.

Trim Men's Shed are now offering an associate membership on an annual basis for those men who wish to only have limited participation in our activities. This type of membership is offered at a reduced annual rate, payable upon joining and renewed every January thereafter.

An associate membership differs in the following ways:

- Associate members will not be eligible to work in the workshop or operate any powered equipment there in.
- associate members may attend social activities, outing or other meetings / training courses but will not receive any subsidised rates for activities, related costs or materials consumed during any activities that the Shed chooses to pay for its full members.
- An associate member may be excluded from meetings and other social activities if numbers are limited. Priority will always go to full members.
- Associate members are eligible to attend the AGM and to vote for committee appointments but they are not eligible to stand for office in any official position or to vote on constitutional matters.
- An associate member cannot order or book materials to the Shed's accounts from any suppliers.
- Associate members cannot borrow any equipment from the Shed for personal use.
- An associate member may be excluded from a meeting if the committee wishes to discuss content of a sensitive nature or if the meeting is specifically pertaining to the running of the Shed.

I understand and agree to these reduced entitlements.
